HEALING THROUGH SOCIAL OBLIGATION

Attitude Matters

A well-known person, Nick Vujcic, from Melbourne, Australia, recently visited and addressed large audiences in Dubai and Sharjah. Nick was born without hands and properly formed limbs. At the age of 8, he was much depressed about his inabilities and asked questions about his identity. It was a defining moment in his life. He discovered the purpose God had in his life. He changed his attitudes and tried to overcome all the hurdles in life with God. Now he is a great evangelist and a renowned motivational speaker who has influenced the lives of millions through the media and stages. What was healing for him? Christ healed him by changing his attitude towards life. He has taken up an obligation towards society- motivating others and leading many to Christ.

There is a centre named "Navajeevan Centre" at Kottayam, run by an ordinary person, Mr. P.U Thomas. He was an attender at Medical College, Kottayam. While at work, he used to watch poor people in the hospital, waiting in long queues for treatments, and people who couldn't afford to pay for their meals. He used to carry his tiffin and share his food with such people. Thereafter, he started bringing to the centre people abandoned at bus-stands and lonely places. He brought hope to the hopeless. Christ brought healing through a vision of serving the society.

The Nazareth Manifesto clearly underlines Jesus Christ's vision. Luke:4:18-19 says: "The Spirit of the Lord is upon Me, because He has anointed Me to preach the gospel to the poor; He has sent Me to heal the broken-hearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed." Christ lived for others. He had compassion towards the poor, the lonely, the lost and the oppressed.

As we approach the Christmas season, let us think about the needy people around us and creatively respond to their needs, regardless of religion, race or creed. Let us also remember the children who are orphaned due to accidents and violence. Let us remember all our brothers toiling hard to make both ends meet- working at construction sites in building skyscrapers, the people who collect garbage to keep our environment clean and all such people we disregard many a time.

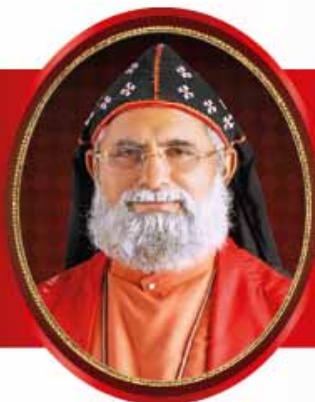

I personally wish a very meaningful Christmas to everyone. Let us be agents of hope in a world devoid of hope.

Yours in His service,

Rev. Roby J. Mathew
