## MESSAGE FROM PHILIP GEORGE ACHEN

Dearly Brothers and Sisters

Greetings from Sharjah Marthoma Church

We thank GOD for having brought us here during the month of May. We are thankful for all the blessings that the God Almighty has bestowed on us as a family.

Let us experience God's presence this year

Let us examine God's plan in our lives

Let us examine our walk

Let us examine our words

Let us examine our wishes

Let us examine our ways of living

Let us examine our witness

We pray for the ministry that lies ahead of us. We ask Him for his leading and guidance. Let us magnify Him and worship Him.

I will love thee O lord my strength. He is my refuge and fortress. I called upon thee, he heard me, he heard my cry and answered my prayer. He delivered me from all my fears.

The healing work of Jesus was a prominent feature during His ministry.

St John Chapter 5 depicts the characteristic of Jesus Christ as the Great physician. The healing of the paralytic by Our Lord and Saviour Jesus Christ , takes place on an unnamed feast day ( John 5: 1 ), which also happens to be on a Sabbath. Jesus clashed with the religious authorities a number of times over performing healing on the Sabbath. It was not the general principle of the Sabbath that he disagreed with, but the petty restrictions imposed by the religious authorities. Jesus deliberately goes to this place and takes the initiative to cure the paralytic. We also find in this passage about Jesus ,making the boldest possible claim that He is the great Physician.

### I. The Pathetic condition of a Paralytic ( John 5: 1-5)

He was a disabled

He was a desperate

He was a disappointed

He was a detached

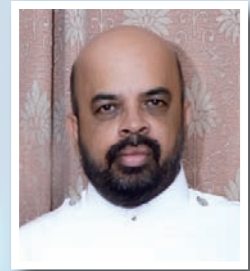

### II. The personal understanding of Christ (John 5: 5-6)

1 He realised that he was part of a careless society

2 He realised that he was a part of the crowd.

3 He realised he was in a crisis.

4 He realised that he was in a confusion

### III. The process of Healing (John 5: 7-8)

A simple question ( John 5:6 )

A standard excuse ( John 5:7)

A striking demand ( John 5: 8)

A supernatural Result ( John 5: 9)

### IV. The procedure of Healing (John 5: 6-9)

There was an offer ( John 5: 6)

There was an order ( John 5: 8)

There was an outpouring( John 5: 9)

There was obedience

### V. Prevent medicine for Healing

1 Avoid sin

2 Accept saviour

3 Abide with scripture

4 Adore the sovereign God

The healing of the lame man does not only show Jesus's wonderful power or mercy, but also shows His authority to tell God's people what they may do on the Sabbath and further it reveals His unique relationship with the Father as He displays the works of God by His action( John 5: 2-20). It also gives us the promise to each one of us that even we can experience God's healing power in our day to day life if we have Faith and constant Fellowship with Him.

May God almighty bless you all

Your's in His service

**Philip George Achen**

## FROM THE YOUTH CHAPLAIN'S DESK...

Dear Friends,  
Greetings.

"All of your dreams can come true – if you have the courage to pursue them".

- Walt Disney

Have you ever been insulted or maligned? It's difficult being on the receiving end of dispiriting words. Those words can cut to the heart and be difficult to shake off. They can wound us temporarily or even give us a lifetime of pain—a witness to the power of our words. If this is true—and I believe it is—then the opposite must also be true; encouraging words can lift us up, heal us, and give us hope for the future! So how do we do it? How can we be encouraged, and how do we become encouragers? True encouragement grows out of a deep faith-walk with God and one another. It requires our time and selfless devotion. It seeks to lift up and heal, helping others grow closer to God, so they can press on in their faith and be better suited for serving in God's kingdom.

The month of June is observed as Education day. Education should impart knowledge and that knowledge should mould one's personality. But it is only possible if you gain wisdom. Wisdom is the ability to use knowledge for correct behavior. A person is wise if he is able to use knowledge for correct behavior. There are people who are knowledgeable in a lot of subjects or issues but if he fails to apply them appropriately to produce correct behavior, it is useless.

When we say we must grow in wisdom, it means that we are committed to applying or using the knowledge of the truth that God revealed to us. The more we apply or use what we know that more we become wise. Proverbs 2:6 For the LORD gives wisdom, and from his mouth come knowledge and understanding.

Congratulations to all the Students who have cleared their 10th & 12th Board exams. Give all the glory to God. As most of the students of 12th grade are looking out for admission in various colleges both in India and other parts of the world, I urge the students to be careful in choosing the colleges. Surrender everything in the hands of God and seek guidance from the Lord. If you are staying in the hostel be careful when you choose friends. If possible, try to attend OUR Church worship services on regular basis. Be involved in the Youth fellowship activities of the Church. And don't forget your parents, the one who brought you thus far. Respect them in every way. Above all, spend time with the Lord everyday.

On June 8th, the Sharjah Sunday School is going to start a talents club for the benefit of all the teens. It is going to be one of the important activity of the teens meet. Kindly enroll your name.

I extend my appreciation to all the Office bearers of the year 2012-13 for their untiring effort and commitment and for all the support towards the Chaplaincy forum. I also wish all the success to the new office bearers for the year 2013-14. May God use them for the extension of His kingdom.

May God bless you

Yours in Christ

**Samson Achen**

## A WORD OF THANKS...

I give thanks to Christ Jesus our Lord, who has given me strength for my work. I thank him for considering me worthy and appointing me to serve him. (1 Timothy 1:12)

Dear Parish members

It has been an eventful, blessed year when I turn back and look at the year gone by, as I have completed my tenure as the Parish secretary of the Mar Thoma Parish, Sharjah.

This was only possible by the divine grace of God almighty and the constant prayer, love and support that each one of you as parish members have extended to me .Let me thank the vicars (Rev. Philip C.Mathew, Rev. K.S.Mathews, Rev. Philip George and Rev .Samson Samuel ), for their constant support and guidance showered on me that enabled me to complete the task God almighty gave to me as your Parish Secretary.

I also thank the Church officials who were together united in every decision that we made, to the kaisthana samithi members (2012-2013) who worked as one family. To the various parish Organization secretaries & officials, who helped me to function systematically by their follow ups and , to the area prayer group secretary and office bearers ,for their utmost cooperation and to our dedicated caretakers Mr. Sanil Abraham and Mr. A.G Samuel for always being there whenever I needed them .

Last but not the least let me thank each parish members for the respect, love and cooperation that you have shown to me .I wish the new Kaisthana Samithi led by our new Parish Secretary Mr. Raju Samuel all success and request each one of you to show the same love, support and cooperation that you have extended to me.Let me end with this bible verse

But I reckon my own life to be worth nothing to me; I only want to complete my mission and finish the work that the Lord Jesus gave me to do, which is to declare the Good News about the grace of God.

(Acts 20:24)

**Joykutty Samuel**

Parish Secretary ( 2012-2013)
