## Healing Through The Word Of God

God has given us the theme "Parish as a healing community" for the current financial year. This is a goal that our Parish is focused to achieve as a part of its mission. This goal can be attained only by conferring and meditating on the various aspect of the theme and as Parishioners', an earnest effort is needed from each one to improve oneself. This main theme has been sub divided into 12 sub themes month wise for going deep into the topic. During the last three months, we contemplated upon the subthemes: prayerful life, forgiveness and worship which leads to healing. For the month of September we will be meditating on how the Word of God brings healing to our souls and mind.

The Word of God is powerful. God's word reformed the chaotic space into a formed one. God uttered the Word, thereby each and everything originated. According to the Gospel writer St. John, Word was there at the creation, Word was with God and Word is God (John 1:1, 2). The Holy Bible is the written Word of God. It reveals the mighty power and benevolent act of God towards his creations. The mighty power is universe itself, how great and wonderful it is. The benevolent act is self-emptying love for redeeming the whole creatures. Reading the Bible and meditating upon it enable each one to experience how powerful God's word is in each one's daily life.

The Word has the power to spring life and at the same time it kills too. To hear and recognize Gods Word in our busy scheduled life is a tough task. However if a person truly spend time to understand the Word of God then it will equip him to face the challenges in life. Bible promises us "For the word of God is living and active. Sharper than any double edged sword (Heb.4:12). God's word can radically change a person's life. God's word has the power to impact on nation.

Ezra the priest called out the people of Israel and organized them to meet at a common place. There he opened the Book and read from the Book and made it sense to them by interpreting it properly, so that the people understood the reading (Neh.8:1-8). Read the scripture, spend time in meditation and its interpretation will makes our life more peaceful.

Therefore I pray that the **3 T's** that will lead us this month are as follows.

- THIRST** - To have the desire to read and meditate on the Word of God.
- TASTE** - To experience the Word of God in our day to day activities.
- TRUST** - To place our complete faith in the Word of God that it will lead us and also remember the assurance that it provides that the God's Word will never fail.

**Let Thy word Touch our hearts and Transform our inner souls.**

Our Parish is celebrating its 39<sup>th</sup> Parish day on Friday, 30<sup>th</sup> of September. Prior to the **Parish day** we will be organizing a 4 day's convention which will commence on 25<sup>th</sup> September (Sunday). **Convention** is a time for praising God, to renew oneself in respect to the Word of God and focus on the goal entrusted to each one of us in our relation to our faith in Christ. In this respect, we will be focusing on the four topic for each day of this year's convention which are **Baptism, Salvation, Holy Spirit, and the Second coming**. Each day one theme will be the focus for deliberation.

Let us uphold the parish day and convention in our prayers and request each one of you to be prayerfully participate and be blessed.

**Rev. John Philip P.**

## **Tips for Effective Parish Life**

2. Bring the Holy Bible and the respective worship order book(Malayalam/English) along with the current year Maramon Convention song book whenever you attend the service.
3. Please see that you switch off your mobile (or keep it in silent mode) during the worship.
4. Kindly ensure that you reach atleast 5 minutes prior to the start of the worship service in the church.
5. Do not leave the church after the worship until the fourth Blessings is given by the Priest and the Doxology is sung by the Church Choir.
6. Wear respectful clothes in church.
7. Do not eat any snacks or drink any juice within the church during the Worship.
8. Before leaving the church after the Holy Qurbana, offer a word of prayer thank ing God almighty for the blessings he has showered during the past week and to enable you to lead the coming week filled with his grace and mercy.
9. Try to fill in the vacant seats in the front while coming to the church so that those who arrive later will find place to sit. Do not leave unnecessary gap in between the seats.
10. After the worship, try to spend time meeting new persons in the church.

14. Those Parents with small children can sit in the balcony / Navathy during the Holy Qurbana.
15. The church is open all the time to enable its members to come and pray at their conveniences.
16. Kindly inform the vicar/secretary change of residence or change of telephone and also ensure that the details related to your address is updated in the Parish records.
17. Be careful regarding the use of social media (Facebook, WhatsApp etc.). It should be used only to communicate our events and programs that are held as a part of our Parish. We should never use it for passing our comments, general conversation or criticizing others or the Parish.
